COCKTAIL

La esencia de la mezcla perfecta

Los cócteles, paradigma del glamour y la sofisticación, han sobrevivido a todos los tiempos. Con más de un siglo de vida han superado crisis, revoluciones y prohibiciones para dar un toque de elegancia y frescura a cualquier ocasión. Desde el célebre **Manhattan** que con el esplendor del cine de Hollywood, se convirtió en una bebida famosa y cosmopolita, pasando por el **Margarita** así bautizado en honor a la inolvidable protagonista de Gilda, hasta el más moderno **Cosmopolitan**, popularizado por Madonna, todos nos han invitado a despertar los sentidos.

Como la nueva colección **COCKTAIL** de **ezarri** que combina propuestas más dulces, delicadas y efervescentes, con otras más rotundas, llenas de energía o aderezadas con unas gotas de angostura, para que los amantes de los ambientes exclusivos, estimulantes y atractivos encuentren en nuestras combinaciones, **la esencia de la mezcla perfecta.**

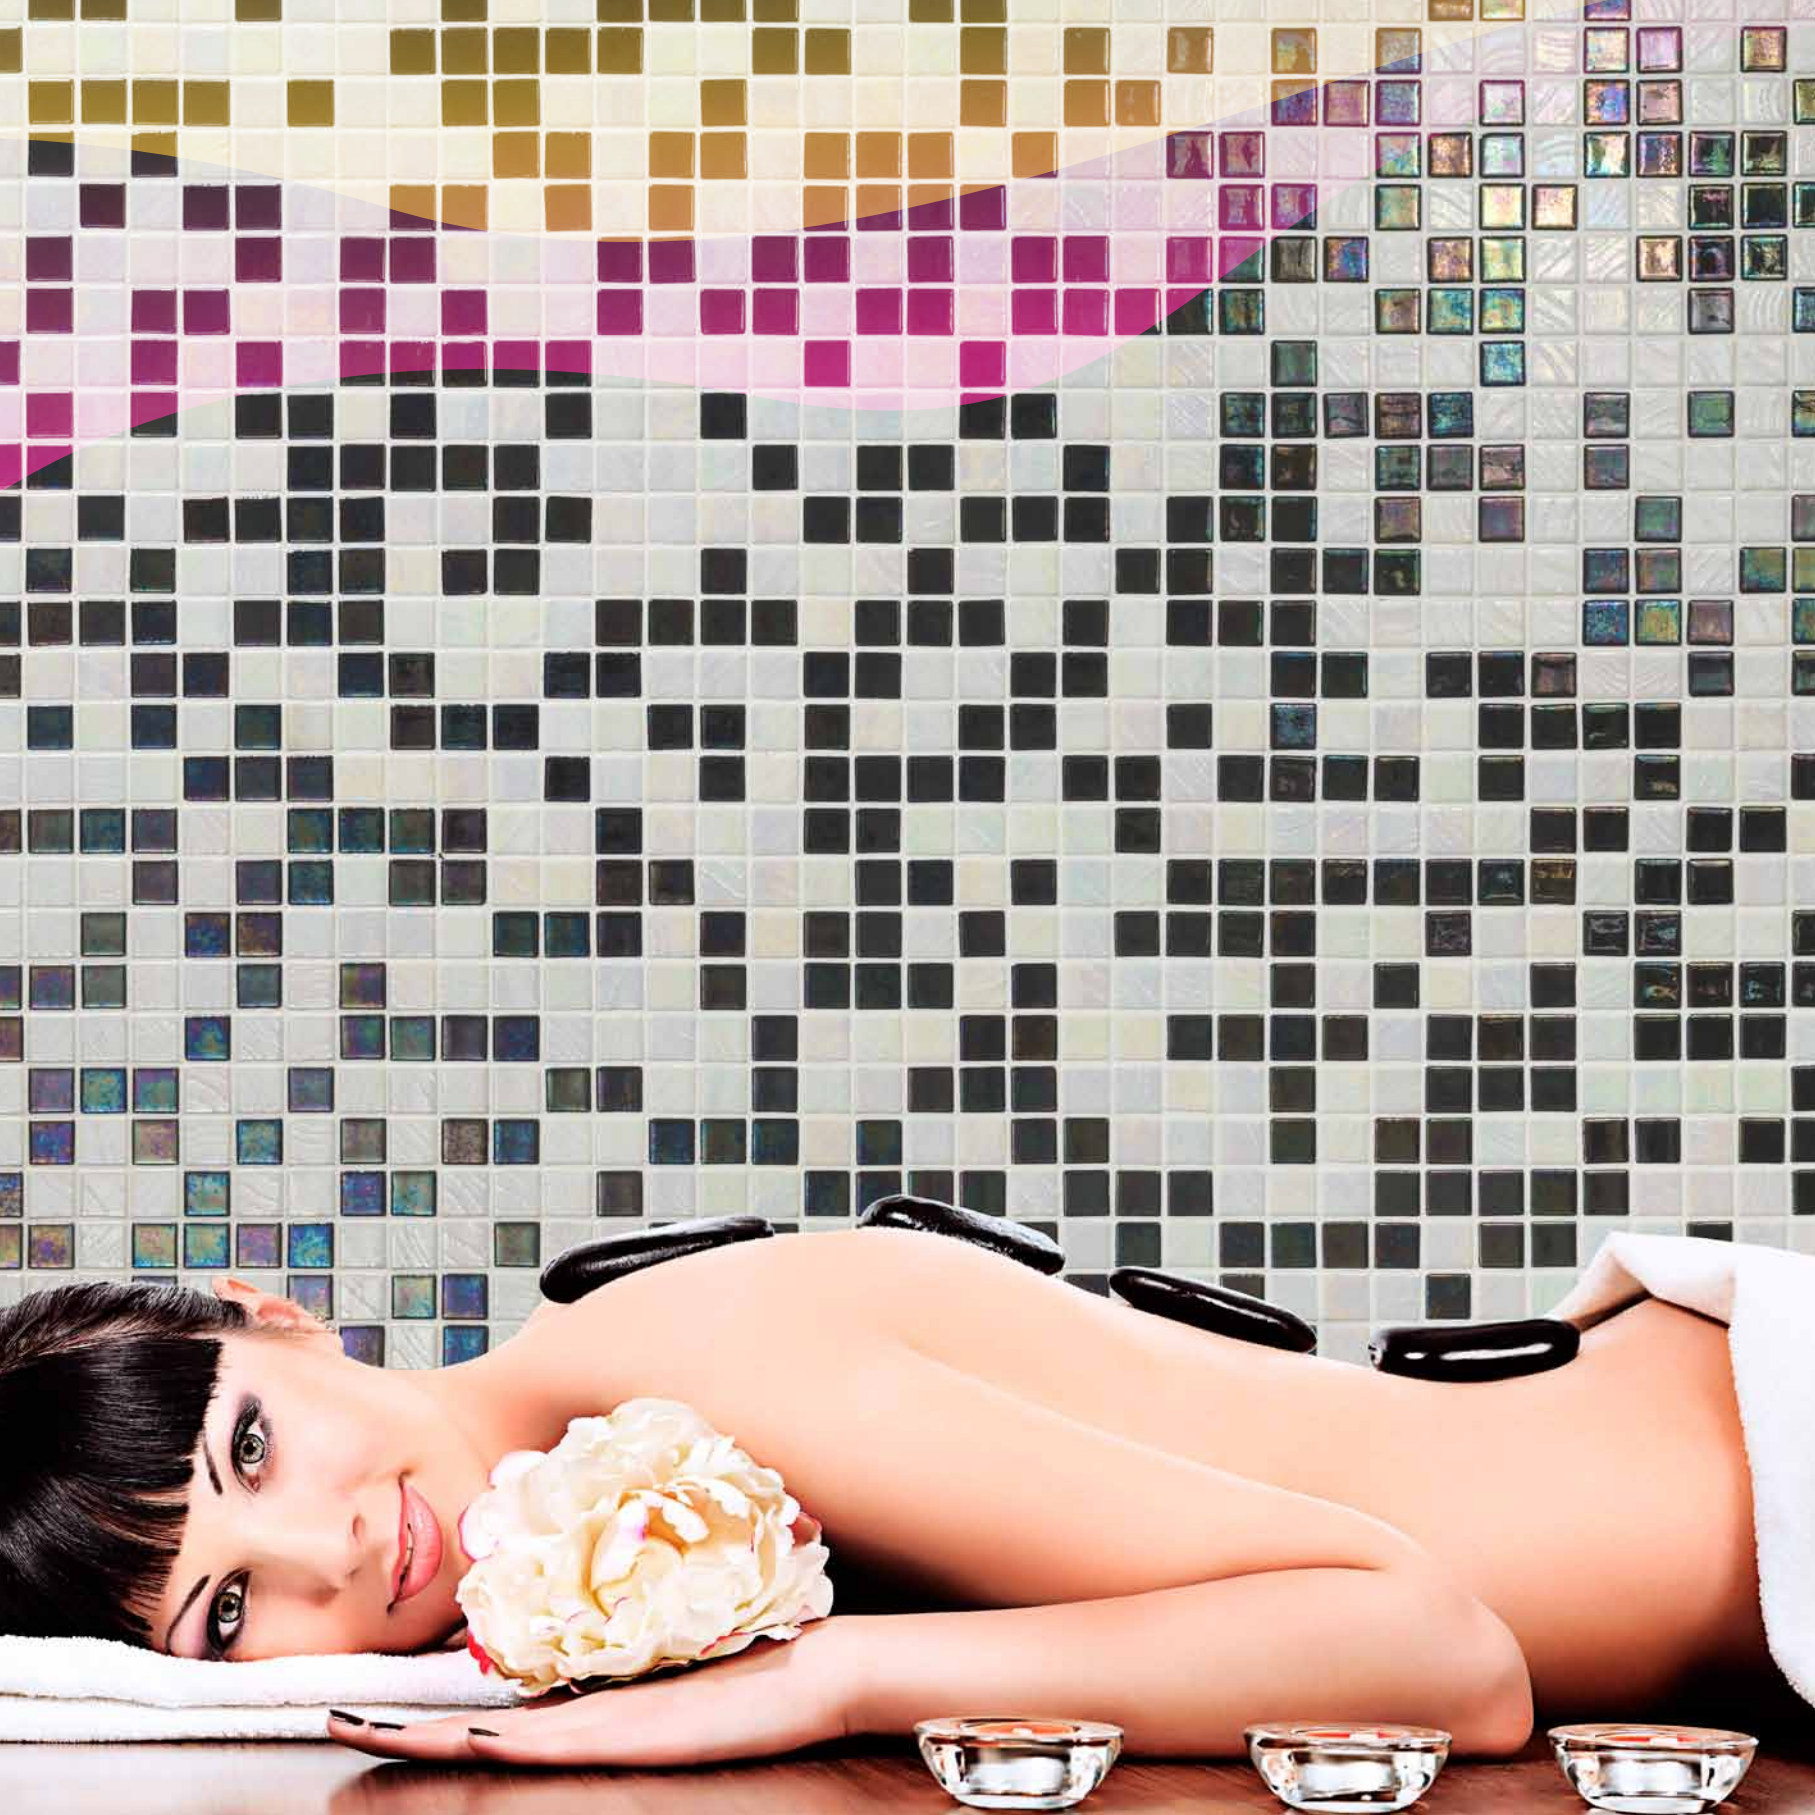

The essence of the perfect mix L'essence du mélange parfait

Cocktails, the height of glamour and sophistication, have withstood the test of time. After more than a century, they have seen crises, revolutions and prohibitions come and go, giving a touch of elegance and freshness to any occasion. From the celebrated **Manhattan**, which became a famed and cultivated drink thanks to the dazzle of Hollywood, to the **Margarita**, named after the unforgettable star of Gilda, to the most modern **Cosmopolitan**, made popular by Madonna, all invite us to awaken the senses.

Like the new **ezarri COCKTAIL** collection, which combines sweet, delicate and effervescent flavors with other rounder ones, bursting with energy or seasoned with a dash of bitters. Lovers of unique, stimulating and attractive atmospheres will find in our combinations **the essence of the perfect mix.**

Les cocktails, paradigme du glamour et de la sophistication, ont survécu à toutes les époques. Âgés de plus d'un siècle, ils ont surmonté la crise, les révolutions et les prohibitions pour apporter une touche d'élégance et de fraîcheur en toute occasion. Du célèbre **Manhattan**, qui grâce à la grandeur du cinéma hollywoodien est devenu une boisson célèbre et cosmopolite, jusqu'au moderne **Cosmopolitan**, popularisé par Madonna, en passant par la **Margarita**, ainsi baptisée en honneur à l'inoubliable protagoniste de Gilda, tous nous ont invités à éveiller nos sens.

Comme la nouvelle collection **COCKTAIL d'ezarri**, qui allie des éléments plus doux, délicats et effervescents, à d'autres plus entiers, pleins d'énergie ou agrémentés de quelques gouttes d'amertume, pour que les amateurs des atmosphères exclusives, stimulantes et attrayantes trouvent dans nos combinaisons **l'essence du mélange parfait.**
